Re: Request for Further Extension of Time to Implement Report & Order  
MM Docket No. 00-63  
KRBE LICO, Inc.  
Station KIKT(FM), Cooper (formerly Greenville), Texas  
Facility Identifier Number: 21597

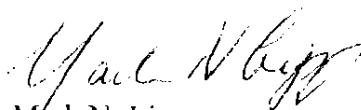

Dear Ms. Dortch:

Enclosed for filing, on behalf of KRBE LICO, Inc., licensee of Station KIKT(FM), Cooper, Texas, is a request for a further extension of time to file an application implementing the Report & Order issued February 1, 2002, terminating MM Docket No. 00-63 (17 FCC Rcd 1810).

The Report & Order changed the city of license for Station KIKT(FM), Channel 228A, from Greenville, Texas, to 228C3 at Cooper, Texas. The licensee previously requested an extension in order to obtain reasonable assurance for the new site location before filing the application. The licensee was not able to finalize these site negotiations but is actively trying to arrange for consent to construct a new site to serve Cooper. Therefore, it is requested that an additional 90 days be given to file the application.

If there are any questions concerning this matter, please contact the undersigned counsel for KRBE LICO, Inc.

Sincerely,

  
Mark N. Lipp
